Key Component Issues for FY2002 – 2003

Cuts in State Shared Revenues - Despite the drastic cuts made to these programs, the State Revenue Sharing and Safe Communities Programs continue to be important sources of funding for Alaska's local governments, particularly the small rural cities. For many of the rural cities, these funds still represent a significant portion of their operating budgets. In FY 86, these programs totaled \$140,939,000. In FY 02 these programs totaled \$29,330,587, an increase of \$837,187 over FY01. The impacts of the cuts since FY86 include:

Municipal Dissolution
Significant Reduction in Public Services and Public Health
Deteriorating Infrastructure
Increased Social Problems
Insurance Unavailability and Rate Increases
Increased IRS and ESC problems and levies
Decline in Urban/Rural Business Activity
Increased Local Taxes

Major Component Accomplishments in 2001

Distributed Community Financial Assistance payments in an accurate, fair and timely manner.
